## Q-Burns Abstract Message

Rating : 7 / 10

"I really wish you had split this up in 2 or 3 promos. This is really difficult to ascertain in one sitting. I feel sorry for the artists in the second half as I'm sure most listeners don't get that far. That said, I went through all this the best I could and like "Odisea" (except for the big, overly dramatic breakdown) and "Sambucus" the most ... it's the dreamy stuff here for me. Thanks for it."
